### **Point wise Replies to Auditor's Qualifications**

1. The amounts are coming in the financials from previous years and in fact some recovery has also been made during the financial year. Further the company is putting in its best efforts to restart the plant soon and the amounts will be recovered either in cash and/or goods. The management has reviewed all assets and liabilities of the company. The assets and liabilities has been valued at receivable and payable value respectively.

2. The amounts are not loans to the subsidiary. They are advances given to Maithan Ispat Limited for material Supply. But due to non functioning of MISL plant and some investor coming in Maithan Ispat Limited for settlement of loans of Bank through Bank Led action through OTS, the amount is being refunded back to MISL and the company is hopeful to get all these back by end of Financial year 2022-23. So there is no requirement of impairment assessment.
3. The amount of Rs. 1.67 crores consists of sale of material and sale of vehicle. It was informed that the amounts will be recovered from the parties soon.
4. It was informed that Maithan Ispat Ltd has restarted production and thus impairment testing is not being carried out as the net worth of the Company has become positive now.
5. The company has taken legal opinion on the treatment of Compensation as well interest on same from an independent advocate. Accordingly same is being treated as Contingent liability. Further the Company is making payment of compensation under protest by selling of stocks lying with the Company after getting order from Hon'ble Supreme Court. We have deposited with Government an amount of Rs. 3625.49 including GST till October 2022 under protest.
6. We have been informed that, as per the policies of the concerned Banks, Bank will provide statement and balance confirmation either by hand or on registered email address of the company only. It will not be possible to change the registered email address to provide direct confirmation to the auditors. We have forwarded all the confirmation as and when received by us.. Further for loan confirmations from SREI as well as Banyan Tree Bank, same cannot be given as they are under litigation
7. As the said account is being closed, the company is working on reconciling the difference of Rs. 1.36 lacs.
8. It was informed that the amount is coming since the year 2018-19. We will get it reworked in the coming Financial year.
9. The Work in progress amount belongs to blast furnance work and PCI work. These amounts will be capitalized once the project is finished.
10. The MISL plant is shut down for quiet long and there is no business with the parties. Company is in process to receive the balance confirmation from Debtors, Creditors and loans and advance as given and / or received and/or for the deposits received and given, as soon as same are received by the company, the details will be shared with the Auditors. Further management is of the view that on confirmation/reconciliation of the balances, there will not be any material impact on the state of affairs of the Company. There is lack of resource to carry out detail activity.
11. The management has conducted ageing analysis during current year and the amount has been reduced to Rs. 26.91 crores. The company will also work on the balance amounts in the upcoming financial year.
12. The company ensure that the internal audit report will be provided for the next financial year
13. Due to labor unrest and union issues because of closure of plant, physical verification as on 31st March 2022 could not be done. The Company is hopeful to carry same by the end of financial year 2022-23.
14. The company has filed form for transfer of amount to IEPF. But the IEPF authority has not rejected the form. We are trying to resolve the issue with IEPF. Otherwise also the amount is in the unpaid dividend account and will be transferred soon.
15. The Company will provide for leave encashment and gratuity in the next financial year.
16. The Company has settled water charges and has approached the department on settlement of Electricity charges Since the matter is subjudice and hopefully will be sorted out in the current financial year so it will be provided accordingly.
17. The payment of outstanding amount of GST is pending and till the time all the payments are made the filing of GST Returns by the Company is not possible.

18. The Company has provided the explanation on non crystallization of the amounts and treating it as contingent liability. Thus the net worth of the company is positive.

## MANAGEMENT DISCUSSION AND ANALYSIS

### INDUSTRY STRUCTURE AND DEVELOPMENT:

India suffered two critical waves of Covid-19 pandemic during the Financial Year 2021-22, with the first wave hitting the Country in Q1 and the local restrictions interrupted, which was otherwise expected to be a promising economic recovery. The second wave hit in Q4 but its effect was relatively mild, due to strong vaccination of Indian population. To support the pandemic-hit economy, Union Cabinet approved a relief package of Rs. 6.29 lakh crore. Further, the Union Budget for Financial Year 2022-23 laid stress on strengthening the Infrastructure sector and Capital Expenditure was stepped up by 35.4% to Rs. 7.50 lakh crore. Due to Russia-Ukraine war, rising commodity prices, especially of crude oil, will have a strong bearing on India's macro-economic indicators, including current account deficit, foreign exchange rate and inflation. Further, Indian Rupee has depreciated considerably against US\$ and is nearing `80/USD. As a result, different international agencies have cut down India's GDP forecast for Financial Year 2022-23 and is now expected to be in the range of 6.9% to 7.8%.

In 2021, World Finished Steel demand grew by 2.7% to reach 1833.7 MT. In 2021, recovery from the pandemic shock turned out to be stronger than expected, despite continuing supply chain issues and Covid waves. However, a sharper than anticipated deceleration in China steel demand dampened the overall global Steel demand growth in 2021. The expectation of a continued and stable recovery from the pandemic has been shaken by the war in Ukraine and rising inflation. The World Steel Association forecasts that steel demand will grow by 0.4% in 2022 to reach 1,840.2 MT.

Following the Russian invasion of Ukraine in February, 2022, steel prices started shooting up as the conflict between Russia and Ukraine cut supplies of finished steel and raw material. Both the countries together export around 45 MT of steel annually. European steel companies additionally suffered from a shortage of natural gas.

### PERFORMANCE HIGHLIGHTS - INDIAN STEEL INDUSTRY

As per World Steel Association's April, 2022 Short Range Outlook, India's Finished Steel Consumption, which had touched 106.1 MT in 2021, is expected to reach 114.1 MT in 2022, growth of 7.5% and then to 120.9 MT in 2023, with a growth of 6%. In India, third wave of Covid-19 in early 2022 was short-lived and did not seriously affect economic activities. India's quarterly GDP touched pre-Covid levels in Q3 2021 and growth is expected to normalise gradually, supported by the Government's push for investment and healthy recovery in services. However, the manufacturing sector slowed down as high inflation affected consumer sentiment and investment. In 2022, construction and manufacturing is likely be supported by spending on infrastructure and a gradual revival in automotive production, with an expected improvement in semiconductor supply. Expected raw material supply constraints in the international market will result in higher domestic mining output and support the capital goods sector. However, the war in Ukraine poses a renewed risk of supply disruption and inflation, which may impact the RBI's accommodative stance and consumer sentiment.

### OPPORTUNITY AND THREATS

With an accelerated push from the policies proposed by the new Government regarding steel intensive segments such as infrastructure, capital goods and construction, stepping up capital expenditure, the outlook for the steel industry remains bright. • High export potential to European and South East Asia markets. • A sharp rebound in growth is expected after the Covid19 pandemic is over and steel demand is expected to remain buoyant.

Increased competition from domestic and international steel companies located in India Volatility in Coking Coal Prices and Exchange Rate and rising Crude Oil prices, Volatility in Steel Prices, Inflationary pressure.

## **OUTLOOK**

Riding on a positive consumption and demand trend in the steel industry, the outlook appears on the green. WSA forecast 0.4% growth in steel demand reaching to 1,840.2 MT in 2022. The year 2023, assuming that Russia-Ukraine war coming to end in 2022, shall see a further demand growth of 2.2%, to reach a level of 1,881.4 MT. It is also believed that steel demand shall continue to grow, though continuing Covid impact and geopolitical tensions have currently slowed the growth rate. For the future, economic recovery programs across the Globe are expected to drive infrastructure investment and construction activities. The cost push from volatile raw material prices shall continue to remain a concern for the industry and will need to be watched carefully. The need to transition to lower carbon routes of steel production shall drive technological upgradation, innovation and investment across the Globe, as will the increasing demand for electric mobility solutions.

## **RISK AND CONCERNS**

Risk is integral part of any Industry and Iron Industry is no exception. There is always risk and concern with respect to the prices of steel in the market due to government policies and other regulations. The steel industry internally, concerns on delays in the ramping up of production, due to initial stabilization of the new mills. Further, higher capital related charges on account of incremental Depreciation and Interest on new facilities have also increased expenses.

## **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Company has adequate and efficient Internal Control Systems for achieving the following business objectives of the Company: Efficiency of operations. *No provision has been made for the same in the books of accounts. - 17) *The Goods & Service Tax (GST) returns have not been filed by the Company since December 2019.*
- 18) *In view of the points mentioned at 5 and 11 above, had the Company provided for the matters mentioned therein, the loss after tax for the year ended 31st March 2022 would stand at approximately Rs 1011.54 crores (Penal compensation & Interest, on account of excess production of Iron Ore, of Rs 1100.15 crores & short provision of doubtful debts of Rs 26.91 crores).*

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no matters determined to be the key audit matters to be communicated in our report.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Since we have not been provided with the other information, we will not be able to report on the same.

### **Responsibilities of management and those charged with governance for the Standalone Financial Statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the IndAS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and

related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an internal financial controls system over financial reporting *however they need to be strengthened and comprehensively documented*, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The preparation of the financial statements is in conformity with Ind AS which requires the management to make judgments, estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and the disclosure of contingent liabilities at the end of the reporting period. Further, out of this we have not been given details of inventory valuation of Rs 59.77 crores. Hence we cannot give our opinion on the correctness of the quantum and valuation of inventory.*
8. *In our opinion, a provision of Rs 23.76 crores (Rs 37.05 crores in March 2021) for doubtful debts needs to be made against the old non moving debtor & supplier balances (where advances have been given by the Company) as on 31<sup>st</sup> March 2022.*

10. *The Company had done a One Time Settlement (OTS) with the consortium of Banks led by State Bank of India. The Consortium of Banks has given their No Dues Certificate and has confirmed that no dues are recoverable from the Company, with respect to these 0.10% Cumulative redeemable preference shares. However, the financials still show the liability for 0.10% Cumulative redeemable preference shares of Rs 127.63 crores, as on 31<sup>st</sup> March 2022, under non current "Other financial liabilities".*
11. *The books of accounts have an accumulated amount of Rs 66.94 lacs as interest accrued and due towards MSME parties since a few years. The same has not been paid until date. Further, no provision for interest has been made for the years ended 31<sup>st</sup> March 2021 and 31<sup>st</sup> March 2022.*
12. *Further, the books of accounts have an opening provision for Leave encashment of Rs 46.71 lacs & an opening provision for Gratuity of Rs 90.86 lacs. No further provision is being made for the year ended 31<sup>st</sup> March 2022 and no actuarial valuation has been done by the Company.*

This valuation report has been provided to us by the Company and we have relied on this report. We have not conducted any independent review of the valuation as provided. The interest / dividend due on the above CRPS have been accounted for in the books as on 31<sup>st</sup> March 2022.*
2. *We have relied on the list of legal cases and the related contingent liability, as given to us by the management. We are not aware of, nor have been informed of any other matter filed against the company.*
3. *The total assets of the company stand at Rs 797.14 crores (Rs 670.97 crores as on 31<sup>st</sup> March 2021), and the total liabilities as on 31<sup>st</sup> March 2022 are Rs 671.60 crores (Rs 818.46 crores as on 31<sup>st</sup> March 2021). *closed under compromise, sanctioned by the competent authority of individual member banks. Further, the company has also received the consent to operate in October 2021 and has started the procedure for procurement of raw materials for manufacturing and has made Sales since January 2022. Hence, based on the above, the Company can be considered as a Going Concern.*

#### **Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not have any matters determined to be the key audit matters to be communicated in our report.

#### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Since we have not been provided with the other information, we will not be able to report on the same.

#### **Responsibilities of management and those charged with governance for the Consolidated Financial Statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, total consolidated comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Group's financial reporting process.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

8. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
  - Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
